

IEA

Global Industrial Network for MSME

About IEA

The Industrial Entrepreneurs Association (IEA) is a global platform empowering MSMEs with opportunities for growth, innovation, and sustainability. We connect businesses with funding, technology upgrades, and global markets while promoting environmental and social responsibility. Our mission is to foster collaboration between industries, authorities, and organizations, bridging the gap between academia and industry. With a focus on empowering businesses and youth, IEA is shaping a sustainable and innovative industrial future.
